

Some info on BECC financing, etc...

Allocation of resources in BECC

- Action groups (6-12 months, e.g. “friköp” 10% or a few months work)
- Seminars and Workshops (open to all BECC researchers, up to 100 kSEK)
- Stake holder interactions
- Guest researchers
- ClimBEco courses
- Seed money from themes
- Specific calls (e.g. the post doc call)

BECC call for salary funds for post doc

- Six two-years post docs
- Interdisciplinary – applicants from two departments (main applicant from Lund)
- Directed towards “younger researchers”
- Last day for application: 27 januari, post doc start: autumn

Call for new ClimBEco courses 2017-18

- Within and across disciplines
- About two weeks of course work
- Financial support for development and implementation, up to 60 000 SEK
- Last day for application: 22 december
- Call budget can support 14 new courses

Discussion with the strategic plan in mind

- Theme meetings like this one – how often?
- What to do in a 1 year and 5 years perspective?
- Ideas of workshops, seminars?
- Ideas of ClimBEco courses?
