

Theme meeting Ecosystem services 31 May 2017

Blå hallen, Ekologihuset, Lund

10:00-11:00: Short (10 minutes) talks

- The strategic plan draft: key challenges (Cecilia Akselsson)
- New BECC post doc project: *Farm2forest: Evaluating impacts of agricultural policy reform on biodiversity and ecosystem services in mixed farming-forestry landscapes* (Yann Clough)
- New BECC post doc project: *The making of green infrastructure as a policy tool for biodiversity conservation* (Johan Ekroos)
- Are environmental subsidies large enough to promote the uptake of organic farming? An empirical analysis of the EU-15 agriculture (Jessica Coria)

11-11:10 Break

11:10-12:00: Short (10 minutes) talks

- New BECC action group: *A methodological road map to value changes in forest ecosystem services under alternative management scenarios* (Mark Brady/Giuliana Zanchi)
- Upcoming courses and workshops (Yann Clough)
- Seminar about forest and ecosystem services (Wilhelm Dubber)

12:00-12:45 Lunch

12:45-14:00 Discussions and brainstorming

- The strategic plan draft – gaps and priorities
- Ecosystem services in undergraduate studies
- Tools for internal communication (e.g. homepage)

Participants, theme meeting Ecosystem services 31 May 2017

Maria Blasi Romero, CEC, LU

Magnus Lindh, Biology, LU

Fredrik Wilhelmsson, Agrifood, LU

Mark Brady, Agrifood/CEC, LU

Romain Carrie, CEC, LU

Håkan Pleijel, Biological and Environmental Sciences, GU

Richard Bradshaw, Physical Geography, LU

Jordan Hristov, CEC, LU

Giuliana Zanchi, Physical Geography, LU

Per Bengtson, Biology, LU

Tobias Rütting, Biological and Environmental Sciences, GU

Nina Nordh, CEC, LU

Kimberly Nicholas, LUCSUS, LU

Richard Walters, Biology, LU

Wilhelm Dubber, Physical Geography, LU

Jörgen Olofsson, Physical Geography, LU

Johannes Edvardsson, Geology, LU

Yann Clough, CEC, LU

Jessica Coria, Economics, GU

Cecilia Akselsson, Physical Geography, LU
